# experience technology quality

With more than 4500 different kinds of high quality professional kitchen appliances and equipment ranging from preparation to cooking equipments, carrying to display units and from hot-cold lines to working benches and dishwashers, Öztiryakiler has been offering turnkey solutions and complete commercial kitchen design services since 1958. With 140.000 m<sup>2</sup> production area equipped with the latest technology, 1300 employees and more than 2000 internationally acknowledged product & product group certifications, we design, we produce and we install.

# confidencence

Öztiryakiler fabrique et commercialise plus de 4500 articles et appareils destinés à la cuisine professionnelle dans plus de 120 pays. De la préparation à la cuisson, de la distribution à la réfrigération en passant par la laverie et le mobilier inox, Öztiryakiler propose une gamme complète de solutions allant jusqu'à l'aménagement et la conception sur mesure pour ses clients partout à travers le monde. Avec quelques 2000 certificats et brevets internationaux, 140 000 m<sup>2</sup> de capacité de production, plus de 1300 employés, techniciens, ingénieurs, un département recherche et développement et surtout avec 60 années d'expérience, Öztiryakiler cherche avant tout à respecter la demande du client et à lui apporter le meilleur service possible. Notre objectif: Vous apporter le meilleur, tout simplement.

## Why we prefer Stainless Steel for Cookware

Stainless Steel has long been the first choice of producers, designers and users of cookware because of the fact it does not stain, chip or rust, is robust and does not affect the flavour of the food, easy cleaning maintenance makes it the first choice for the strict hygiene conditions found in hospitals, kitchens, abattoirs and other food processing plants.

Stainless steel's bright, easily maintained surface provides a modern look and attractive appearance. What's more, being fully recyclable, stainless steel has good environmental credentials.

- A** Stainless Steel Body
- B** Aluminium Disk
- C** Stainless Steel Disk (Induction Ready)

For pots and pans optimum heat transfer is achieved using a triple bottom in stainless steel, aluminium and stainless steel. This heavy-duty bottom has a "sandwich" construction with the aluminium enclosed by stainless steel.

With this professional bottom, OZTI pots and pans are perfect for use on any kind of stove be it induction, electrical, glass ceramic or gas.

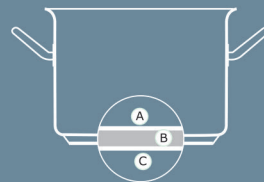

With this professional bottom, OZTI pots and pans are perfect for use on any kind of stove be it induction, electrical, glass ceramic or gas.

## Pourquoi nous préférons Inox pour les équipements de cuisine

*Le matériel inox est le premier choix des fabricants, concepteurs et clients finals parce que les produits en acier inoxydable ne tache pas, ne s'écaille pas, ne se rouille pas et ils sont robustes et n'affectent pas les saveurs des aliments. De plus, la maintenance facile à nettoyer rend le meilleur choix pour les conditions d'hygiène*

*La brillance de l'acier inoxydable crée un look moderne et attractive. De plus, étant entièrement recyclables, a une bonne réputation de la qualité environnementale.*

- A** Corps en Acier Inoxydable
- B** Disque d'Aluminium
- C** Disque en Acier Inoxydable (Compatible avec l'Induction)

*Pour les batteries de cuisine, le transfert thermique optimal atteint grâce au fond triple en acier inoxydable, aluminium, acier inoxydable. Ce fond robuste a une construction "sandwich" avec aluminium couverte en acier inoxydable.*

*Avec le fond professionnel, les batteries de cuisine OZTI sont parfaitement adaptée sur n'importe quel type de cuisinière comme induction, électrique, vitrocéramique ou gaz.*

*Les marmites en acier inoxydable sont disponibles en finition lisse satinée ou en finition miroir brillant ou aussi semi-brillant.*

### Product Features

- Inside Dimensions :33x52x50 cm
- Can be cleaned in dishwasher
- Heat resistance; + 100 °C & - 40 °C
- Smooth and shiny inner surface for easy cleaning
- Extra reinforced corners
- Carrying capacity; between 53 lt. - 63 lt.
- Light body structure for easy carrying
- Stackable
- Double Skin. CFC FREE Polyurethane foam is used between skins.
- No harmful material is used
- Bolts and hand holders are made of AISI 304 S/S
- With unbreakable label
- Suitable for Gastronorm Containers
- With 12 shelves. Gap between shelves is 3cm
- With different color options
- Thickness is minimum 3.2 mm

### Caractéristiques

- Innenmass : 33x52x50cm
- Peut être nettoyée dans le lave-vaisselle.
- Résistance thermique: 100°C / - 40°C
- Surface lisse et brillante pour un nettoyage facile
- Coins extra renforcés
- Capacité de chargement: 53 lt - 63 lt
- Structure du corps léger pour un chargement facile
- Empilable
- Double Paroi. Sans CFC, mousse de polyuréthane entre les parois
- No matières nuisibles
- Boulons et poignées en inox 304
- Avec étiquette incassable
- Convient pour les bacs gastronomes
- Avec 12 étagères. Espaces entre les étagères sont 3 cm
- Options pour différents couleurs
- Epaisseur est minimum 3,2 mm
